## THE ORDINARY!

### ABOUT US!

Chimes Aviation Academy (CAA) is one of India's leading DGCA approved Flying Training Organisations (FTO) to provide comprehensive flying training for aspiring pilots and flying enthusiasts. **Established in June 2008, CAA has flown more than 85,000 hours till date.**

**Located in the heart of India, Dhana, Madhya Pradesh, CAA takes advantage of more than 300 days of clear weather in a year,** suitable for large scale flying training. With one of the biggest operational fleets owned by any FTO in India and supported by a **CAR 145 & CAR M subpart-G certified in-house aircraft maintenance team,** the academy is able to fly the maximum number of hours annually by any FTO in India.

Driving a culture of excellence in all facets of global aviation training and flying infrastructure, CAA has won a number of certifications and accolades in its more than 12 years of operations. In its mission to offer the best quality pilot training at par with global standards, the academy has successfully braved through multiple ripples in the aviation industry, latest one being Covid-19 lockdown. This success can be attributed to the professionalism and commitment of all personnel involved in CAA since its inception.

Strict adherence to quality and ethics has ensured that **CAA delivers excellence within defined timelines and competes with the best flying training organisations worldwide.**

# WHY US!

## Aircraft Fleet

We have one of the biggest fleet owned by any FTO in India.

**10 Cessna 172, and  
2 Diamond DA42**

## Alumni Strength

Till date we have trained over 400, out of which **90+ are placed with IndiGo.**

## Continental Diesel Engines

The only Indian academy whose fleet consumes readily available ATF fuel, in contrast to other FTOs, which consume sparsely available 100LL fuel.

## Night Flying

Our Airstrip is equipped with night flying facilities, enabling more flying!

## Garmin G1000 Glass Cockpit

Making transition to bigger jets a natural event.

## FlightLogger

Only academy in India to use FlightLogger Software to digitize the Flying Training experience for cadets.

## Unrestricted Airspace

CAA's has it's own Ground to Air communication set-up & Runway to ensure continuous uninterrupted flying for our cadets.

## Industry Recognition

First and only Private Flying Training Organisation in India to host a campus selection.

## Hostel Facility

Safe, secure & fully-equipped hostel facility within the academy premises, separate for boys and girls.

## Ground School

Air conditioned IT-enabled facility, with experienced instructors.
